

## ■ Petites lampes de balisage à LED - culot BA9S

### Produits à remplacer

- Petites lampes culot BA9S
- Formes sphériques et cylindriques
- Puissances entre 1W et 4W
- Voltages entre 10-30V

### Culot BA9S

### Pourquoi choisir les lampes à LED ?

- Réduisez vos coûts de maintenance en limitant les déplacements de vos techniciens grâce à la très longue durée de vie des ampoules à LED
- Faible consommation électrique : économies d'énergie
- Profitez en même temps pour changer par de la LED toute la gamme de lampes de balisage !

## PRÉSENTATION PRODUIT

### Lampe BA9S - 0.4W 24V

|           |               |
|-----------|---------------|
| Culot     | BA9S          |
| Puissance | 0.4W          |
| Lumen     | 45LM          |
| Couleur   | Blanc Naturel |
| Voltage   | 24V           |
| Diamètre  | 10mm          |
| Longueur  | 23mm          |
| Angle     | 180°          |

### Lampe BA9S - 0.6W 24V

|           |               |
|-----------|---------------|
| Culot     | BA9S          |
| Puissance | 0.6W          |
| Lumen     | 70LM          |
| Couleur   | Blanc Naturel |
| Voltage   | 24V           |
| Diamètre  | 10mm          |
| Longueur  | 22mm          |
| Angle     | 180°          |

### Lampe BA9S - 0.4W 30V

|           |               |
|-----------|---------------|
| Culot     | BA9S          |
| Puissance | 0.4W          |
| Lumen     | 40LM          |
| Couleur   | Blanc Naturel |
| Voltage   | 30V           |
| Diamètre  | 10mm          |
| Longueur  | 22mm          |
| Angle     | 180°          |

### Lampe BA9S - 0.35-1W 10-30V

|           |               |
|-----------|---------------|
| Culot     | BA9S          |
| Puissance | 1W            |
| Lumen     | 100LM         |
| Couleur   | Blanc Naturel |
| Voltage   | 10-30V        |
| Diamètre  | 10mm          |
| Longueur  | 28mm          |
| Angle     | 360°          |

Multitension : 10-30V  
Angle large : 360°

### Lampe BA9S - 0.4W 6V

|           |               |
|-----------|---------------|
| Culot     | BA9S          |
| Puissance | 0.4W          |
| Lumen     | 45LM          |
| Couleur   | Blanc Naturel |
| Voltage   | 6V            |
| Diamètre  | 10mm          |
| Longueur  | 23mm          |
| Angle     | 180°          |

### Lampe BA9S - 0.4W 12V

|           |               |
|-----------|---------------|
| Culot     | BA9S          |
| Puissance | 0.4W          |
| Lumen     | 45LM          |
| Couleur   | Blanc Naturel |
| Voltage   | 12V           |
| Diamètre  | 10mm          |
| Longueur  | 23mm          |
| Angle     | 180°          |

## ■ Small LED lamps - socket BA9S

### Product to replace

- Small lamps with socket BA9S
- Spherical and cylindrical shapes
- Power between 1W and 4W
- Voltages between 10-30V

### Socket BA9S

### Why to choose LED lamps?

- Reduce your maintenance costs by limiting travelling of your technicians thanks to the very long life span of LED lamps
- Low power consumption: energy savings
- Our advice is to change by LED the whole range of small lighting lamps!

## PRODUCT PRESENTATION

### Lamp BA9S - 0.4W 24V

|          |               |
|----------|---------------|
| Socket   | BA9S          |
| Power    | 0.4W          |
| Lumen    | 45LM          |
| Color    | Natural White |
| Voltage  | 24V           |
| Diameter | 10mm          |
| Length   | 23mm          |
| Angle    | 180°          |

### Lamp BA9S - 0.6W 24V

|          |               |
|----------|---------------|
| Socket   | BA9S          |
| Power    | 0.6W          |
| Lumen    | 70LM          |
| Color    | Natural White |
| Voltage  | 24V           |
| Diameter | 10mm          |
| Length   | 22mm          |
| Angle    | 180°          |

### Lamp BA9S - 0.4W 30V

|          |               |
|----------|---------------|
| Socket   | BA9S          |
| Power    | 0.4W          |
| Lumen    | 40LM          |
| Color    | Natural White |
| Voltage  | 30V           |
| Diameter | 10mm          |
| Length   | 22mm          |
| Angle    | 180°          |

### Lamp BA9S - 0.35-1W 10-30V

|          |               |
|----------|---------------|
| Socket   | BA9S          |
| Power    | 1W            |
| Lumen    | 100LM         |
| Color    | Natural White |
| Voltage  | 10-30V        |
| Diameter | 10mm          |
| Length   | 28mm          |
| Angle    | 360°          |

Multi-voltage: 10-30V  
Large angle: 360°

### Lamp BA9S - 0.4W 6V

|          |               |
|----------|---------------|
| Socket   | BA9S          |
| Power    | 0.4W          |
| Lumen    | 45LM          |
| Color    | Natural White |
| Voltage  | 6V            |
| Diameter | 10mm          |
| Length   | 23mm          |
| Angle    | 180°          |

### Lamp BA9S - 0.4W 12V

|          |               |
|----------|---------------|
| Socket   | BA9S          |
| Power    | 0.4W          |
| Lumen    | 45LM          |
| Color    | Natural White |
| Voltage  | 12V           |
| Diameter | 10mm          |
| Length   | 23mm          |
| Angle    | 180°          |
